THE ROLE OF HEALTH & SAFETY PROFESSIONALS

Health and Safety professionals became a mandatory position holder in various industries due to legal requirements of many countries as well as the importance of their role in managing health and safety in a workplace and making a safer work environment.

Health and Safety professionals fulfill a vital role within organizations by:

- > Intervening and advising the line management and workforce on Health and Safety matters to significantly reduce the workplace injuries and illnesses.
- > Enhancing the overall well-being of employees.
- > Safeguarding the environment against the impact of industrial waste.
- > Demonstrating a steadfast commitment to Occupational Health, Safety, and Environmental Protection, consequently enhancing the organization's reputation and concurrently reducing associated costs.

Acquiring adequate knowledge in Health and Safety through a recognized program is the first step to become the Health and Safety professional.

LEVEL 6 NEBOSH INTERNATIONAL DIPLOMA

The NEBOSH Level 6 International Diploma for Occupational Health and Safety Management Professionals is ideally suited for Health and safety professionals or those with aspirations to be one. People with health and safety responsibilities who want to gain an in-depth understanding join this program to excel their career and credibility of competency.

DELIVERY METHOD / TIMETABLE

Through our top notch Learning Management System (LMS) Platform as well as class room studies, students can interact with your trainer and fellow students, to discuss and analyze the topics, attend formative assessments ,feedback and interact with our staff for any support needed.

Our LMS is the best in the world where you can interact with fellow students and teachers at any time at your convenient and see how your study is progressing and your achievements from your fingertips.

ASSESSMENT RESULTS

You will receive your results 50 working days after the submission date for your assessment. A unit certificate will be issued 20 working days after the notification date for each successful unit.

Once you have passed all three unit assessments (DI1/DI2/DI3) your combined percentage mark will give your overall grade for the qualification (Distinction/Credit/Pass).

Distinction 226 or higher
Credit 196 – 225
Pass 150 – 195

A qualification parchment will be issued 20 working days after the results notification date for the third successful unit.

GENERAL POLICIES (NEBOSH & PETROTECH SAFETY SOLUTIONS)

OPEN BOOK ASSESSMENT

You will receive the guidance documents and Links to NEBOSH exam guidance videos for familiarization of NEBOSH Open Book Exams

All assessments can be completed remotely and will be accessed using NEBOSH's online examination platform.(do not require you to attend an invigilated examination venue.)

All assessments will be checked via Turnitin plagiarism software and you will be required to have a closing interview with after each assessment.

MALPRACTICE POLICY

Petrotech in line with NEBOSH requirements and our Equal Opportunity Policy is committed to conduct training programs and internal and external assessments with fair assessment. Any malpractice from learners will be reported and investigated.

Please refer to Nebosh Malpractice Policy below

<https://www.nebosh.org.uk/policies-and-procedures/malpractice-policy-and-procedures/>

ENQUIRY ABOUT RESULTS (EAR)

Nebosh supports the rights of learners /learning partners to enquire about a result where it does not meet reasonable expectations and to appeal against the outcome of that enquiry. An EAR may be made within 20 working days of the results notification date/as shown in the unit result notification letter. The learner will have to wait for the results of the EAR before registering for re-sit.

TYPE 1 EAR- CLERICAL CHECK

If any discrepancy is found after marks has been transferred to Nebosh database, Nebosh will arrange for correction.

TYPE 2 EAR

REMARK AND CLERICAL CHECK- If mark changes following a TYPE 2 EAR, a revised Unit Result Notification (URN) will be issued to the learner. A type 2 EAR does not guarantee that a mark will be adjusted upwards after the EAR, sometimes be adjusted downwards or remain unchanged.

Individual EAR requests can be made by the learners by accessing the Nebosh website and filling up the online form and payment can be done using credit card.

Learning partner can also request for EAR on the candidate's behalf. If the EAR results in an upward regarding of a unit (e.g. from refer to pass) a revised URN will be issued and any relevant re registration fee will be reimbursed. If you are not satisfied with the results of the EAR, you can appeal. It must be accompanied by evidence, otherwise will be rejected. Please see more details below

<https://www.nebosh.org.uk/policies-and-procedures/enquiries-about-results-ears/>

COMMUNICATION

Your email address and phone numbers will be collected during the registration process. All the communications regarding course, exam etc will be directed to this email or social media connected to your phone number. Please inform any change in Phone number and email address to course counsellor, +91 9497117541. Since all the information regarding the course, notification from NEBOSH etc will be sent to your email/phone number.

Also note that you enter correct address in the registration form since this is the address to which any communication, your NEBOSH Certificate etc will be sent. Hence any changes in address also will be informed well in advance.

The data collected will not be used for any other purpose other than NEBOSH exam registration and communication with NEBOSH, as per Petrotech's data protection policy.

COMPLAINT PROCEDURE

At Petrotech Safety Solutions ,we have a detailed complaint and dispute handling procedure, to amicably and reasonably settle any formal /informal complaints registered by the learner /instructor/ staff.

It is the responsibility of the student to ensure that any complaint is clear both in specifying what the problem is and what the complainant is seeking as a remedy. Complainants have a responsibility for ensuring that they make reasonable efforts to resolve disputes informally before submitting a formal complaint.

The student can submit the complaint either in person to the Manager(Academic) or via phone or email. The Academic Manager will try to solve the issue and if unable to do so, will escalate it to the senior management.

Kindly address all complaints to info@petrotechsafety.com or call +91 9497 117 541.

Learner Access to Learner Management System and Tutor Support

The learner will have access to the learning management portal and tutor support until he completes the exam, and in case of resit, the student will be given access to the portal and tutor support without additional charges.

PETROTECH TERMS AND CONDITIONS

As a Learning Partner, we will

- Outline the aims and objectives of the course with you;
- Ensure appropriate teaching hours for your course are taught to you for your course;
- Provide you with suitable materials to use relevant to your course, at the appropriate times;
- Provide a learning environment conducive to learning;
- Do our best to ensure that course materials conform to the syllabus of the examining body;
- Test your learning & understanding via questioning techniques & exercises.
- Encourage you during your study;
- Provide you with access to appropriate expertise to support you during your course;
- Agree suitable contact arrangements and times between yourself and our tutor;
- Remind you if assignments have not been submitted by agreed deadlines;
- Return assessed work to you within agreed time.
- Provide constructive and individual feedback on your progress;
- Deal with any difficulties highlighted promptly and fairly;
- Send you a copy of the complaint's procedure on request;
- Operate an equal opportunities policy;
- Allow learner to defer a course/fee that they have paid for to later start date (Allow to sit in a later batch/later exam as per the convenience of the learner);
- Course counsellor's availability for any of the questions the learner may have;
- Advice you on how to access Nebosh website and support materials available.
- Allow learners for extra class session attendance for any of the portions they missed or they wanted to attend again in the subsequent batches.

As a Learner, you should

- Ensure that all fees are paid by the agreed times;
- Never share the course materials with any other individual or organizations and publish the course materials in any way of sharing in websites, radio, TV or any other form of publication or dissemination
- Behave gently and courteously with the staff and co-students;
- Undertake sufficient private study to maintain progress on your learning programme;
- Complete any and all homework or exercises given to you by the course tutor;
- Inform your tutor of any learning difficulties or other relevant issues that may affect your ability to successfully complete the course
- Inform your tutor if you feel that special consideration should be given to you when the paper is marked
- Inform us of any issues or concerns (complaints) you have, if you are not satisfied with the service provided, you also have the right to contact NEBOSH or the SQA directly.
- Understand that Petrotech's study materials / online classes shall not be copied and shared with anyone which may attract legal actions.
- Understand the commitment required to complete the course successfully and achieve the qualification;
- That I have read and understood the terms and conditions.

DEFERMENT

1. For any reasons, a course is deferred or rescheduled by Petrotech, the student shall be allowed to attend in the subsequent batch
2. For any valid personal reasons a student has to defer his/her studies in the batch enrolled, they shall be allowed to join in any of the subsequent batches

REFUND PROCEDURE

The following policy will apply to all terminations for any reason, by either party, including delegate decision, course or program cancellation. Official cancellation or withdrawal shall occur on the earlier of the dates that:

- An applicant is not accepted by the accreditation body (eg: NEBOSH/IOSH/IRCA/BCSP etc) for examination registration. The applicant shall be entitled to a refund of all money paid.
- A delegate (or legal guardian) cancels his/her enrollment in writing within three business days of signing the enrollment agreement but classes have not yet started. In this case all money collected by the institute shall be refunded.
- If the delegate cancels their registration no later than four weeks before the commencement of course date, they shall incur a charge of INR 2000/- as administrative fee.
- For all the international courses, once the registration is done with the accreditation bodies the registration fees are non-refundable. Course fees are partially refundable.

- For some international courses if the delegate is absent to the assessment/examination the delegate has to submit the reason and detailed report to the accreditation body. If the accreditation body approves then the fees paid is partially refundable.

- For delegates who enroll and begin classes but withdraw prior to course completion

(After three business days of signing the contract), the following schedule of tuition earned by the Company applies.

- A student will qualify for a 100% refund of the examination registration fee if they are withdrawn prior to the examination closing date.

Percentage of scheduled time enrolled to total course/program	Total fees to be retained by company
0.01%- 09.9%	30%
10- 29.9%	45%
30-49.9%	75%
50% and over	100%

CONCERNS, QUERIES, REFUNDS AND COMPLAINTS

You are welcome to share any query or concerns regarding anything related to the course or conduct of the course, during or after the course.

Our policies are explained during the registration process and also during induction process. You may contact Course counsellor for any help regarding the same.

Course counsellor: +91 9497117541

Please note that all complaints should be in writing addressed to Course counsellor. We have an investigation procedure which will be conducted on receiving the complaint and written response will be provided to you on completion of investigation. Please address all your complaints to info@petrotechsafety.com
